Pastor's Corner

Fr. Thomas Joseph PHD

Dear Parishioners & Friends:

Our Korean brothers and sisters have moved on to a new facility in the Holy Family Parish. You might hear the grape-wine talk that I forced them out of here. Do not believe it. I did ask them to pay their fair share of the expenses of our parish. Our fabulous Pastoral and Finance leadership did a great job in articulating our position to them. But they chose to move on. Our prayers and good wishes are with them.

You might notice that the huge picture of St Andrew Kim is missing. The Korean Community took it with them. Nobody knows what happened to the statue of Our Lady that was there before (20 Years ago). I hear it was damaged when it was taken down and thrown away. Anyway, **a generous parishioner is financing a new statue for permanent use in the Church. An image of the statue (future) is on the cover of this bulletin.** I have placed the order and it is coming to us from Italy. It is 6 feet tall and will take a couple of months to reach us.

TOWN HALL MEETING ON JULY 14, AT 9:30 AM

We shall have a town hall meeting on July 14 immediately after the mass. It is Ohana Sunday and we shall have brunch as well. The purpose of the meeting is to convey all the information we have about our current situation and answer any questions you may have. I also need your suggestions to grow and strengthen our parish community. Hopefully all the members of the Church leadership will be able to be present.

With Prayers and Blessings!
Fr. Tom

Sunday Reflection

May I never boast except in the cross.
(Galatians 6:14)

The church in Galatia was struggling. The people there had gladly welcomed Paul's simple message: Jesus Christ died for their sins, rose for their salvation, and was now inviting them to embrace that salvation through faith and baptism. But after Paul left Galatia, other people arrived with a more complicated message: if you don't embrace all of Jewish law, especially circumcision, your salvation is incomplete. You have to become a Jewish convert as well as a Christian.

When Paul got wind of this, he fired off a harsh letter of rebuke. "Are you so stupid?" he asked. "It is those who have faith who are children of Abraham, not just those who are circumcised" (Galatians 3:3,7).

For Paul, the issue went to the heart of the gospel message. If the Galatians embraced circumcision, they would be perpetuating the old division between Jew and Gentile that Jesus had come to destroy. Not only that, they would be feeding the lie that Jesus belongs only to a certain class or type of people. "There is neither Jew nor Greek," Paul told them, "there is neither slave nor free person, there is not male and female; for you are all one in Christ Jesus" (Galatians 3:28).

This is one of the most powerful truths of our faith in Christ, every division is wiped out. Being a Christian is not a matter of deciding who is "in" and who is "out." Neither are there different "levels" or "classes" of believers. There's only everybody. We are all equally sinners who are equally loved by God and forgiven by the cross. The question is whether we will accept this salvation and let God's love heal our divided hearts and change our divisive actions.

Paul never wanted to "boast" about anything that made him feel special or better than other people (Galatians 6:14). The gift of God's merciful, liberating, transforming love outshone everything else. This love is available to you today at Mass. Come and taste it. Let it break down every division in your heart.

"Jesus, reduce me to love!"
