Letter from the Bishop of Honolulu

ROMAN CATHOLIC CHURCH IN THE STATE OF HAWAII

DIOCESE OF HONOLULU

WITNESS TO JESUS

October 23, 2019

Reverend Thomas Joseph
 St. Pius X Church
 2821 Lowrey Avenue
 Honolulu, HI 96822-1644

Dear Father Joseph,

Peace be with you!

In light of your request for a three-month medical leave from all duties at St. Pius X Parish so that you can fully engage in and recover from your cancer treatment, I hereby grant you such leave, effective November 1, 2019 through January 31, 2020. Of course, if you need more time to recuperate, we will by all means see that you have it. Please be assured of my prayers for you that your recovery will be speedy and complete.

At your request, you may continue to reside at St. Pius X Rectory while you are on the medical leave. You have assured me that you will have people who can care for you there. If you do need any other assistance, however, please do not hesitate to ask.

I will be assigning Father Rico Bernadez as the Temporary Administrator during the time of your leave.

He will continue residing at the Dever House, which, as you know, is located very close to St. Pius X. While he will have full responsibility for the pastoral care of the parish, I will caution him not to make any major decisions that would affect the parish in the long term without consulting you.

Sincerely yours in Christ,

Most Reverend Larry Silva
 Bishop of Honolulu

Story of the Dedication of St. John Lateran

Most Catholics think of St. Peter's as the pope's main church, but they are wrong. St. John Lateran is the pope's church, the cathedral of the Diocese of Rome where the Bishop of Rome presides.

The first basilica on the site was built in the fourth century when Constantine donated land he had received from the wealthy Lateran family. That structure and its successors suffered fire, earthquake, and the ravages of war, but the Lateran remained the church where popes were consecrated. In the 14th century when the papacy returned to Rome from Avignon, the church and the adjoining palace were found to be in ruins.

Pope Innocent X commissioned the present structure in 1646. One of Rome's most imposing churches, the Lateran's towering facade is crowned with 15 colossal statues of Christ, John the Baptist, John the Evangelist, and 12 doctors of the Church. Beneath its high altar rest the remains of the small wooden table on which tradition holds Saint Peter himself celebrated Mass.
