**Message from Bishop Larry Silva:
Donations will be Match for a Catholic Education in Hawaii**

To All Parishes:

This weekend we will take up the annual collection for the Augustine Educational Foundation, a great gift to our diocese, which provides scholarships to families so that they can be educated in our wonderful Catholic schools. This year, a generous donor has offered to **match** our gifts. We know how much these funds are appreciated by those who receive them, so I urge you to be generous and to urge your people to contribute generously to this collection. Thank you for your constant witness to Jesus!

Bishop Larry Silva

Your gift will be MATCHED by a generous donor, dollar for dollar from what we collect for our Second Collection. Encourage a student by donating to the 2021 Second Collection, February 13th and 14th. Your generous donations support a quality Catholic education and promotes a successful learning environment. Every school is dedicated to the student experience with a balanced curriculum that integrates faith and culture with life values.

P.S. Mahalo for your support. Your donation of any amount helps us fund scholarships for students in Hawaii Catholic Schools.

Sunday Reflection
I do will it. Be made clean.

If you suffered from a disease that rotted your flesh and deadened your nerves, as this leper did, you wouldn't deny your need for healing, would you? No, the problem would be obvious. You'd almost instinctively cry out to the Lord for help. But what about other kinds of wounds that may not be so obvious?

For example, if you tend to overreact or become extremely anxious, even over minor issues, you might need to reach out to Jesus for an emotional healing, perhaps with the help of a trained counselor. Maybe you find you are in a difficult relationship, one filled with tension and stress. Jesus could heal that relationship by showing you how to love that person better. Or if you're harboring unforgiveness and resentment, you may need God's grace to help you forgive. You might be stuck in a sin pattern that you don't want to face, and so you avoid bringing it into the light and receiving God's mercy in Confession.

It's tempting to think that we can handle such situations on our own. Or we might not even recognize that these are things that Jesus can heal. But what Jesus said to the man in this story, he says to us: "I do will it. Be made clean". He wants to heal us of *anything* that doesn't reflect his will for our lives.

Today, ask the Holy Spirit to help you become aware of just one area of your life in which you need his healing touch. How might unhealed wounds be holding you back or causing pain to yourself or someone around you? How might they be leading you away from God and into sin?

We all accumulate wounds as we go through life, so don't get discouraged. Like this man with leprosy, just believe that Jesus has the will—and the power—to heal whatever ails you.

"Jesus, I need your healing touch today!"

A donation of \$10.00 per Mass is requested.
