

Our Stewardship Prayer

Generous and Loving Creator, you have called us to **Maalama i ka Makana** (*Cherish the Gift*). As disciples of your Son, we ask that your Spirit open our minds and hearts to more deeply appreciate your countless blessings. Increase your transforming spirit within us, so as to nurture our call to stewardship as a way of life marked always by faith-filled prayer, service to others and generous giving. With the kokua of St. Marianne and St. Damien, teach us to be good stewards so we may return a hundred-fold the makana entrusted to us.

We pray this through Jesus Christ our Lord. Amen

Stewardship is an expression of Christian discipleship, a practical form of spirituality. Stewardship can be defined as an attitude of the mind and heart that is expressed in action. It is not a program, a fundraiser, a technique for increasing volunteers or the weekly collection.

18th Sunday in OT reflection (Jean-Baptiste-Marie Vianney Sunday of prayer for priest):

The Bread of Life

Jesus said to them, "I am the bread of life; the one who comes to Me will not be hungry, and the one who believes in Me will never be thirsty.

Our Lord this Sunday tells us about a bread that leads to fullness of life. He was misunderstood by the people because pride still cover their hearts. They demanded that He show a sign and also reminded Jesus how they were chosen by God during the time of Moses in the dessert, how their ancestors were privileged to have eaten of the Manna, the bread that came from heaven. Jesus instead answered them that it was the mercy of God that their ancestors were able to eat of the manna in the dessert, nonetheless all their ancestors died on the journey, and it was their descendants, Joshua who guided Israel in entering the land promised to them. From a crowd following Jesus, after this incident, many would come to scorn Jesus for not verifying their claims and began to disperse.

Jesus was not talking about earthly food that can satisfy only the mundane hunger of humanity, the earthly hunger that is tied to emotion, and the passions of the body to fulfill hunger and to physically survive, He was referring to complete satisfaction of the body and the soul that can only be found in Him. His divinity can calm the spiritual hunger for life's meaning and completeness, his actual body that can justify, sanctify, and renew the body on the day of the resurrection of the dead. Those who belong to Christ do not just fill in the stomach of the hungry through charity, but also leads those spiritually hungry to their satisfaction in the truth of Jesus. Christ assumed completely our humanity except sin, so that those who will believe in Him may share in the happiness of his divinity.
