# CORPUS CHRISTI

SUNDAY 23 JUNE 2019

## Pastor's Corner

Fr. Thomas Joseph PHD

Dear Parishioners & Friends:

Fr. Kim Jung of the Korean Catholic Community has informed me that they would leave St Pius X Church premises by June 30, 9PM. Thus will end a twenty year association with our parish. We wish them well.

As a result we will begin our Second Mass on Sunday at 11:30 AM starting July 7, 2019. Some of you asked for a later Mass on Sunday and there you have it. Please pass the word around.

This weekend we celebrate the Feast of Corpus Christi. To reclaim some of the traditions of Eucharistic processions on this day, the 4 pm & 8:30am masses will end with a short procession within the Church and Benediction. Let us thank Jesus for the gift of the Eucharist and honor the Lord in the Sacrament. Read what Pope St John Paul II had to say on this matter:

*Saint John Paul II reminded us that the Church "does not only celebrate the Eucharist but solemnly bears it in procession, publicly proclaiming that the sacrifice of Christ is for the salvation of the whole world." We rejoice in this post-Easter expression of our Eucharistic faith and devotion in order to deepen our attachment to the unique and unending Event that transforms our lives: "Out of the darkness of my life, so much frustrated, I put before you the one great thing to love on earth: the Blessed Sacrament..."*

*There you will find romance, glory, honor, fidelity, and the true way of all your loves on earth" (J.R.R. Tolkien). As the Sequence for Corpus Christi begs: "Jesu, of your love befriend us,/ You refresh us, you defend us,/ Your eternal goodness send us/ In the land of life to see."*

(From the *Magnificat*)

With Prayers and Blessings,  
Fr. Tom

## Sunday Reflection

The Body and Blood of Christ  
“As the day was drawing to a close...”

Why did Jesus keep the people so late? Was he unaware of the passing of time? Or was he so caught up with healing them that he forgot that they would need to eat? Neither scenario is very likely. Jesus was always aware of his surroundings, and he never did something without first thinking it through.

No, Jesus knew what he was doing and why he was doing it. He knew he would need to feed this crowd of people miraculously-- and he was happy to do it. It was his way of giving them another sign of his love for them. He didn't want to just heal them and send them on their way. He wanted to share a meal with them. He wanted to spend more time with them -- the kind of quality time that happens during a shared meal.

This is part of the wonder of the Body and Blood of Christ. Jesus wants to spend time with us. He wants to spend time with you. He loves you for who you are, not just for what he can do for you. He just enjoys your company, and he wants to share his love with you.

No wonder Jesus promised to be with us in a special way at Mass! Every time we receive him in Communion, he comes into our lives-- all of him. He comes to tell us that he loves us and that he values us. Certainly he comes as Savior to heal and to bless us, but he also comes as Friend just to be with us. In fact, it's because he loves us so much that he committed to giving us his blessings.

Jesus is waiting for you at Mass today. He's waiting for you every day in the Tabernacle of his presence. Go spend time with him. Let his friendship and love warm your heart. And go warm his heart with your love.

*“O Sacrament most holy, O Sacrament divine!  
All praise and all thanksgiving  
be every moment thine.”*  
(From the Word Among Us)
