Saint Nicholas of Tolentino, Pastor, Wonder Worker, and Patron Saint of Poor Souls in Purgatory

Nicholas of Tolentine (1245-1305) was a simple priest and Augustinian friar who touched the lives of many. His spirit of prayer, penance, austerity of life and devotion to the Holy Souls were notable. His preaching brought many to Christ. Nicholas Gurutti was born in 1245 in Sant'Angelo, Pontano, Macerata, Italy. His family was rather poor. He joined the Augustinian Order while a young man, after hearing the inspired preaching of Reginaldo da Monterubbiano, Prior (local superior) of the Augustinian monastery in Sant'Angelo. As a priest and religious, he was full of charity towards his brother Augustinians as well as towards the people to

whom he ministered. He visited the sick and cared for the needy. He was a noted preacher of the Gospel. He gave special attention to those who had fallen away from the Church. People considered him a miracle worker. He often fasted and performed other works of penance, and he spent long hours in prayer.

The story is told that, one day, having fasted for a long time, Nicholas was physically weak. While at prayer, Jesus told him to eat some bread marked with a cross and soaked in water in order to regain his strength. Thus arose the Augustinian custom of blessing and distributing Saint Nicholas Bread in his memory. Another story relates that Nicholas, while asleep in bed, heard the voice of a deceased friar he had known. This friar told Nicholas that he was in Purgatory, and urged him to celebrate the Eucharist for him and other souls there, so that they would be set free by the power of Christ. Nicholas did so for seven days. The friar again spoke to Nicholas, thanking him and assuring him that a large number of souls were now with God. Because of this Nicholas was proclaimed patron of the souls in Purgatory. He is also considered the patron saint against epidemic disease and against fires. During most of his adult life, Nicholas lived in Tolentine, Italy. There he died September 10, 1305. Canonized in 1446 by Pope Eugene IV, Nicholas is the first Augustinian friar to be canonized after the Grand Union of the Order of St. Augustine in 1256. The remains of St. Nicholas are preserved at the Shrine of Saint Nicholas in the city of Tolentine.

What Ever Peter Provides

Our Lord Jesus refuses to be pushed to the edge of the water, instead, he led the people on the edge of the water where no one can dare to follow. Using Peter's boat, he preached the truth, while the people are prostrated that they could not touch him. Peter's doubts made Jesus stretch His hands to lead him to walk with Him steady on the stormy waters. Let us remember also the blade of Peter that cut the ear of the high priest servant on the night of the Lord's arrest. Jesus did a remarkable miracle attaching the ear of that servant. What ever Peter provides, we must pray Jesus will use it for His honor and glory. We cannot push Jesus to do what we want, but if we want to witness awesome things beyond our expectations, it's only through Peter's boat that we will be able to witness great events of the Lord. In the hour or night of the greatest terror, it is with Peter where we will witness God's awesome works. Still we are at the edge of the water, prostrated that we can't move Jesus, when he already made us move. Do we dare to plunge into the water and swim towards the boat of Peter?
